West

Caption
Chart Type: Map
Dual Axis: N
Reference Line: N
Trend Line: N
Calculated Fields: 2
(Region per State & Total Sales)
Table Calculations: 0
LOD Calculations: 0
Mark Cards: 3 (Color, Detail, Tooltip)
Filters: 0
Visualization: The map provides a visual representation of total sales across U.S. regions, with each state color-coded by region.
Analysis: States in the West and South regions, such as California and Texas, demonstrate significantly higher sales compared to states in other regions. The tooltip provides detailed insights into each state's total sales and regional classification, highlighting sales performance trends across the U.S.
